Conclusions

- **SVHS's IB Program is continuing to grow.**
- **The total number of IB students has dropped slightly but the number of exams per student has increased significantly.**
- **Overall, score are slightly lower than last year across all subjects.**
- **Enhanced CAS program is successful.**
- **Enhanced EE schedule is successful.**
- **IB teacher training is ongoing.**

2010-2011 Goals

- **Improve “Internationalism” as a core component of the IB program and philosophy**
- **Implement cross-curricular projects in each IB course**
- **Implement new TOK projects and coordination**
- **Continue to monitor the success of the new CAS structure**
- **Improve Diploma pass rate**

2010-2011 Goals

- **Work to incorporate IB Assessment Policy within SVHS**
- **Improve our HL results, particularly in English, History, and Biology**
- **Investigate Honors English 2**
- **Create IB Diploma Parents Forum**
- **Create IB Graduates breakfast**
- **Create IB Extended Essay Night**
- **Guide and monitor Physics after one-year absence**
